Corporate Announcement

Legg Mason recently sent out the following announcement:

"As an ISA manager we have become increasingly aware that ISA holders now expect to be able to access and manage their accounts online or by telephone rather than being restricted to the paper based system that we currently offer.

After careful consideration, we have concluded that our current ISA service is no longer able to meet ISA holders' expectations. Accordingly, we have decided to withdraw from the provision of the Legg Mason ISA with effect from 1 July 2016."

Following this announcement, ISA transfers via the Electronic Re-Registration system will no longer be available from 16 June 2016.
