

IFDS Fax Number Changes

Effective 17 July 2017

IFDS have previously communicated that we are consolidating the number of processing environments within our workflow infrastructure, and in parallel have moved all clients to 'basic rate' fax lines. As a result of the consolidation we aim to have one fax number which will cover all Fund Groups.

The migration is part of an ongoing project that we aim to complete by the end of 2017. To achieve that deadline a small number of Fund Groups will move to a separate fax number, meaning Distributor Client Services will have 2 basic rate fax lines for all Fund Groups at that time.

With effect from **17 July 2017**, please ensure you are using the new fax number **0330 1233684** from the UK or **0044 1268 457712** from overseas for the following Fund Groups.
